AIR FORCE DENTAL SCHOLARSHIP PROGRAM

The Scholarship:
Pays up to three or four years of academic study in your DDS or DMD program
Pays for all tuition, fees, supplies, books, and any special equipment that is required
Pays you a stipend of over $2100 per month

Duties and Opportunities
Examines diagnoses and treats disease, abnormalities, injuries, and dysfunctional disorders of the oral cavity and its associated structures. Examines patients and interprets radiographs and diagnostic tests to determine type and extent of dental diseases and disabilities or dysfunctions. Evaluates findings and prescribes type, extent, and order of treatment. Refers nondental problems to appropriated medical specialty. Restores health and function of carious, fractured, otherwise defective teeth. Performs routine preventive, periodontal, oral surgery, endodontic, and prosthodontic treatment. Provides consultation services.

Eligibility Requirements
To be eligible for commissioning and consideration for resident selection, applicants must:

- Be of good moral character and meet initial physical/mental standards.
- Be accepted to and/or enrolled in a DDS or DMD degree program accredited by the American Dental Association.
- Must have a qualifying GPA and DAT score.
