Meet Our Experts

Robert Nadeau, DDS, MD, Clinical Assistant Professor and Clinic Director, Division of Oral and Maxillofacial Surgery, Department of Developmental and Surgical Sciences, University of Minnesota School of Dentistry; Diplomate, American Board of Oral and Maxillofacial Surgery. Dr. Nadeau serves as a Commission on Dental Accreditation site inspector for advanced training programs in Oral and Maxillofacial Surgery and is a member of the AAOMS Committee on Professional Conduct. He previously served as the Director of Resident Education at the University of Missouri, Kansas City and Truman Medical Center Graduate Training Program in Oral and Maxillofacial Surgery.

Angela Rake, DDS, Adjunct Associate Professor, Division of Oral and Maxillofacial Surgery, Department of Developmental and Surgical Sciences, University of Minnesota School of Dentistry; Diplomate, American Board of Oral and Maxillofacial Surgery. Dr. Rake joined Dakota Valley Oral and Maxillofacial Surgery in 2002 after having completed her advanced training at the University of Minnesota and Minneapolis Veterans Affairs Medical Center. Dr. Rake advances the profession with her commitment to national and statewide boards and associations.

Rachel Uppgaard, DDS, Clinical Assistant Professor, Division of Oral and Maxillofacial Surgery, Department of Developmental and Surgical Sciences, University of Minnesota School of Dentistry. Dr. Uppgaard is a member of the American Dental Association and the American Association of Oral and Maxillofacial Surgery. She is an active volunteer within the community and provides care to patients at Woodbury Smiles Dentistry. Dr. Uppgaard received her Bachelor of Arts, dental degree, and completed her residency in Oral and Maxillofacial Surgery at the University of Minnesota.

Levi Zarbano, DDS, earned his undergraduate degree at Wayne State College in Nebraska & his dental degree from the University of Iowa. He then completed a residency program in general dentistry at Hennepin County Medical Center and graduated from the Oral and Maxillofacial Surgery at the University of Minnesota. Dr. Zarbano practices a full scope of oral and maxillofacial surgery, with an interest in outpatient anesthesia and the correction of developmental deformities of the maxillofacial region. Dr. Zarbano is a member of the American Association of Oral and Maxillofacial Surgeons, the American Dental Association, and the Minnesota Dental Association. He is an adjunct faculty member at the University of Minnesota School of Dentistry.

The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution. Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

Minnesota credits
- 15.5 Fundamental Credit Hours
- Includes CORE Subject Areas: Diagnosis and Treatment Planning; Management of Medical Emergencies
