Resective osseous surgery

2:00

Pig jaw exercise – Drs. Camargo & Melnick

Creation of bony defects and osseous recontouring

3:00 Break

3:15

Lecture – Dr. Philip Melnick

Flap suturing

4:00

Pig jaw exercise – Drs. Camargo & Melnick

Flap suturing

5:00 Adjourn

Sunday, January 30, 2022

8:00

Lecture - Dr. Paulo Camargo

Crown lengthening

9:00

Pig jaw exercise – Drs. Camargo & Melnick

Flap preparation

Degranulation

Osseous resection for crown lengthening

Suturing

11:00

Lecture – Dr. Philip Melnick

Anesthesia

Analgesia and post-operative instructions

11:30

Lecture – Dr. Paulo Camargo

Prevention and management of surgical complications

12:00 Adjourn

Meet Our Experts

Paulo M. Camargo, DDS, MS, MBA, FACD, received his dental degree from the University of Parana and a Certificate in Periodontics from UCLA. He also holds an MS degree in Oral Biology from UCLA and an MBA from the Anderson School of Business Management at UCLA. Dr. Camargo is a Diplomate of the American Board of Periodontology and a Fellow of the American College of Dentists. Practicing periodontics for four years in the Los Angeles area before becoming a full-time academician, Dr. Camargo is currently a Full Professor of Periodontics and the Associate Dean of Clinical Affairs at UCLA.

Philip R. Melnick, DMD, FACD, received his dental degree from Tufts University and a Certificate in Periodontics from Boston University. He is a lecturer in the Section of Periodontics at UCLA. For the past 25 years, he has been the Co-Director of the Periodontal Surgery Seminar for the Residency Program in Periodontics. Dr. Melnick has authored or co-authored 20 papers and book chapters and

has lectured extensively on periodontics and implant dentistry. He is a Diplomate of the American Board of Periodontology and a Fellow of the American College of Dentists. Dr. Melnick practices periodontics and implant surgery privately in the Los Angeles area.

The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution. Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

Minnesota credits

- 11.5 Fundamental Credit Hours

Eligible for AGD Mastership credit in periodontology.
