demonstration and practice, as requested by course participants
Lynda J. Young Conference Room • 6-410 Moos HS Tower

4:15
Course summary/applications to practice
Questions and answers

4:45 Adjourn

Meet Our Course Director

Jill Hormann, BSDH, MSDH, Clinical Assistant Professor, Division of Dental Hygiene, Department of Primary Dental Care, University of Minnesota School of Dentistry. Ms. Hormann received her Bachelor of Science in Dental Hygiene degree from the University of Minnesota, School of Dentistry in 2015. Following graduation, she practiced full-time as a dental hygienist before pursuing her career goal of becoming a dental hygiene educator. In 2018, Ms. Hormann was offered a Graduate Teaching Assistant position in the Division of Dental Hygiene. Near the end of her Graduate Teaching Assistant position, she was offered a faculty position to begin upon completion of her Master of Science in Dental Hygiene education degree. Ms. Hormann now provides clinical instruction to students at the University of Minnesota School of Dentistry and is a clinic group director for dental hygiene and dental therapy students.

The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution. Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
