

YOUR GIVING MATTERS

2021 Donors

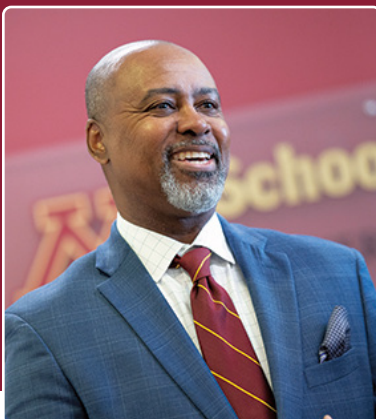

Dear Friends,

Thank you for standing with us in another year that required creative solutions, resilience, collaborative efforts, and compassion. We are so grateful for you, our philanthropic partners. Your investment of \$2.6 million in the School of Dentistry is an incredible testament to your belief in the work we do to advance our mission of scientific discovery, education and service.

I'd like to share a couple of examples of how your contributions touched our school. Donors gave to the max for 24 hours on Give to the Max Day and raised a record-breaking \$37,408 for student scholarships and more. Scholarships offset debt and help us to attract the best and brightest students. Graduates attended an in-person commencement ceremony and were beaming as they wore regalia generously provided by donors. What a meaningful way to say "congratulations" to the next generation! We also invested in digital dentistry through the addition of Cone Beam CT units throughout the school.

Established in 2010, the Dean's Circle recognizes the annual and sustained support of those who have partnered with the School of Dentistry to help address the needs of our school, our students, faculty and patients, and the communities we serve. Thank you to all who joined or renewed their membership in 2021.

For those of you who made the decision to include the School of Dentistry in your estate plans, thank you. I am deeply humbled and grateful. This lasting legacy of support maintains and strengthens our school for future generations of students.

On behalf of the faculty, staff and students, thank you for investing in and believing in us in 2021.

I wish you a happy and healthy 2022! I hope to see many of you in the coming year.

With sincere appreciation,

Keith A. Mays, DDS, MS, PhD
Dean

THANK YOU
