### Meet Our Course Director

**Deepak Kademani, DMD, MD, FACS**

Dr. Kademani is in private practice with Minnesota Oral and Facial Surgery. He is also Fellowship Director of the Head and Neck Oncologic and Reconstructive Surgery training program. Dr. Kademani is a member of numerous professional societies, including the American Association of Oral and Maxillofacial Surgeons, American College of Surgeons, American Head and Neck Society, and the American Dental Association. He is currently a Director for the American Board of Oral and Maxillofacial Surgery. In addition to authoring or co-authoring over one hundred books, abstracts, chapters, monographs, and publications, he has authored two textbooks, 'Atlas of Oral and Maxillofacial Surgery' and 'Clinical and Translational Updates on Oral Cancer.' He has lectured nationally and internationally on various topics, predominantly in head and neck pathology, oral cancer, and reconstructive head and neck surgery.

The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution. Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [ADA.org/CERP](http://ADA.org/CERP).
