Meet Our Expert

Mark A. Roettger, DDS, Clinical Associate Professor, Division of Hospital and Special Care Dentistry, Department of Developmental and Surgical Sciences, University of Minnesota School of Dentistry. Dr Roettger is a general dentist with a special interest in medically complex patients, dental trauma and hospital dentistry. He is the Chief of Dental Service, University of Minnesota Medical Center, Minneapolis, Minnesota. As Associate Director of the General Practice Residency, he oversees residents in the hospital rotations in consult, emergency and operating room dentistry.

Dr. Roettger indicated no relevant affiliations or financial interests. He does not intend to discuss an off-label/investigative use of a commercial product/device.

The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution. Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
