Meet Our Experts

Kevin Nakagaki, DDS

Dr. Nakagaki is a graduate of the University of Minnesota School of Dentistry. He is a Clinical Instructor and the Regions Hospital AEGD Residency program Associate Director. Dr. Nakagaki was the former Director of the University of Minnesota Hospital Dental Clinic for over ten years. Dr. Nakagaki is a practicing dentist with HealthPartners, managing patients in the hospital/ambulatory surgery setting.

Kacie Woodis, DDS

Dr. Woodis is a graduate of the University of Minnesota School of Dentistry. She is a Clinical Assistant Professor in the Division of Comprehensive Dental Care at the University of Minnesota School of Dentistry. Dr. Woodis has particular interests in recordkeeping and dental coding/billing and teaches related classes.

The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution. Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
