

# YOUR GIVING MATTERS

## 2025 ANNUAL REPORT

*Dear Alumni and Friends,*

Thank you for a wonderful 2025! We owe so much of what we do to our donors.

I am honored to share that your generosity included \$6.9M in gifts designated for scholarships, resident travel, student research, capital projects, and so much more.

Here are a few examples that showcase the difference your generosity makes:

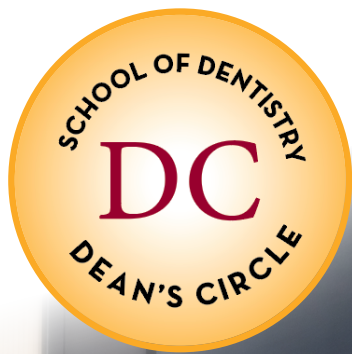

- The Special Healthcare Needs Clinic is supported in part by donors and community partners. It offers DDS students a new specialty rotation focused on dental accessibility. The clinic provides dental care for patients with complex medical conditions, developmental disabilities and physical disabilities, as well as older adult patients.
- Give Kids a Smile, a student-run initiative, provided free dental care in February to underserved children in our community. This event is made possible every year because of the generosity of donors and volunteers.
- The Learners to Leaders fundraising campaign is going strong. In 2025 alone, donors contributed \$472,900. This brings the total raised since 2021 to a remarkable \$6,848,793. Scholarships help reduce what students owe when they graduate.
- Donors stepped up in a big way on Give to the Max Day to help fund scholarships for students. Donors raised \$31,505 on November 20. This included a \$6,000 matching gift to the Dental School Scholarships Fund from the DDS Class of 2000.

We are so grateful for your partnership and support in 2025! Thank you again!

Sincerely,

**Keith A. Mays, DDS, MS, PhD**  
Dean, School of Dentistry
